About These Data

The giving figures listed for each individual are based on donations announced to date by the donors or their beneficiaries. In cases of bequests, most of the figures are estimates because the wills have not been settled. For news of gift announcements in 2008, visit the [America's Top Donors database](#).

If you know about a recent gift of \$1-million or more that should be added to this directory, please send a message to gifts@philanthropy.com.
